Scheduling an appointment for landscaping services

This form aims to collect important information for creating a personalized project, aligned with your needs and preferences. We ask that you fill out all sections carefully so that we can provide you with effective, high-quality service.

Please note: A technical on-site visit is required for any advanced consulting, garden design, or garden management (maintenance plan) services. Please refer to the flowchart under section **6.1 – Type of Service Desired** in this form for an overview of the process.

* Indicates required question

1. Customer info (Topic 1 of 9)

Please provide your basic contact details such as name, phone number and email address so that we can get in touch with you efficiently.

1. 1.1 First and last name *

2. 1.2 Contact Telephone (please add country prefix) *

3. 1.3 Email Address *

4. 1.4 Address of the place of intervention *

2. Location Details (Topic 2 of 9)

Provide approximate dimensions of the area to be worked on, limits and other specifics.

5. 2.1 Total Plot Area (m2) *

6. 2.2 Landscape Intervention Area (m2) *

7. 2.3 Intervention Limits (describe) *

Please describe the specific area(s) within your plot that you wish to transform. You may name and/or list the zones for clarity.

8. 2.3.1 Intervention Limits (attaching plans)

If you have a Plan, a Satellite image or any other document that helps perceive the intervention limits / please attach here

Files submitted:

9. 2.4 Existence of a Topographic Survey *

Mark only one oval.

- Yes
- No

10. 2.4.1 If so, in what format?

Mark only one oval.

- pdf
- dwg
- Other: _____

11. 2.6 Existence of Constructions on Site? *

Mark only one oval.

- Yes
- No

12. 2.6.1 If so, please describe:

_____
_____
_____
_____
_____

3. Soil and Water Conditions (Topic 3 of 8)

Indicate soil conditions and water availability at the site, essential information for landscape planning.

13. 3.1 Soil Analysis Performed? *

Mark only one oval.

- Yes
- No

14. 3.1.1 If so attach results:

Files submitted:

15. 3.2 Water Analysis Performed? *

Mark only one oval.

- Yes
- No

16. 3.2.1 If so attach results:

Files submitted:

17. 3.3 Available Water Sources for watering the garden, via: *

Tick all that apply.

- [ ] Well
- [ ] Borehole
- [ ] Rainwater Collection – deposit
- [ ] Tank
- [ ] Public water supply network
- [ ] Other: _____

18. 3.3.1 If you selected in the previous question: “deposit”, “tank” or something similar, please indicate the water storage capacity (volume):

_____

4. Domestic Fauna (Topic 4 of 8)

Please let us know if you have pets or other animals on site, which will help us ensure the project is safe and functional for everyone.

19. 4.1 Do you have pets? *

Mark only one oval.

- Yes
- No

20. 4.1.1 If so, specify species(s) and quantity per specie(s)

21. 4.2 If you have pets, do they have access to the new planting areas?

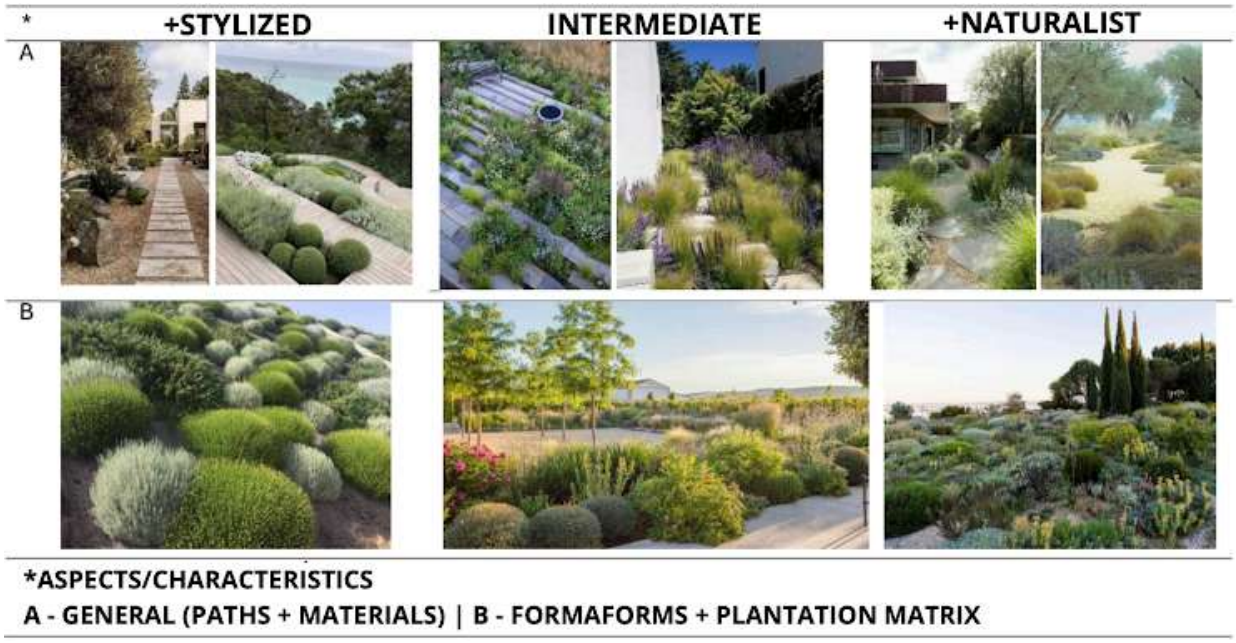
Mark only one oval.

- Yes
- No

5. Garden Preferences and Style (Topic 5 of 8)

Share your style preferences and general implementation ideas for the space, allowing the design to reflect your taste and personality.

Simplified table with Plantings styles and pathways



22. 5.1.1 Preferred planting style *
(as portrayed in row A of table above)

Mark only one oval.

- +Naturalist
- Intermediate
- +Stylized
- Other: _____

23. 5.1.2 Preferred path style *
(as portrayed in row B of table above)

Mark only one oval.

- +Naturalist
- Intermediate
- +Stylized
- Other: _____

24. 5.2 Preference for types of plants *

Mark only one oval.

- Native
- Mediterranean (indigenous and of other origins)
- Edible
- Medicinal
- Ornamental
- Evergreen
- Groundcover alternatives (to turf lawn)
- Other: _____

25. 5.3 Favorite Colours in the Garden: *

_____

26. 5.4 Mentionable Desired Elements *

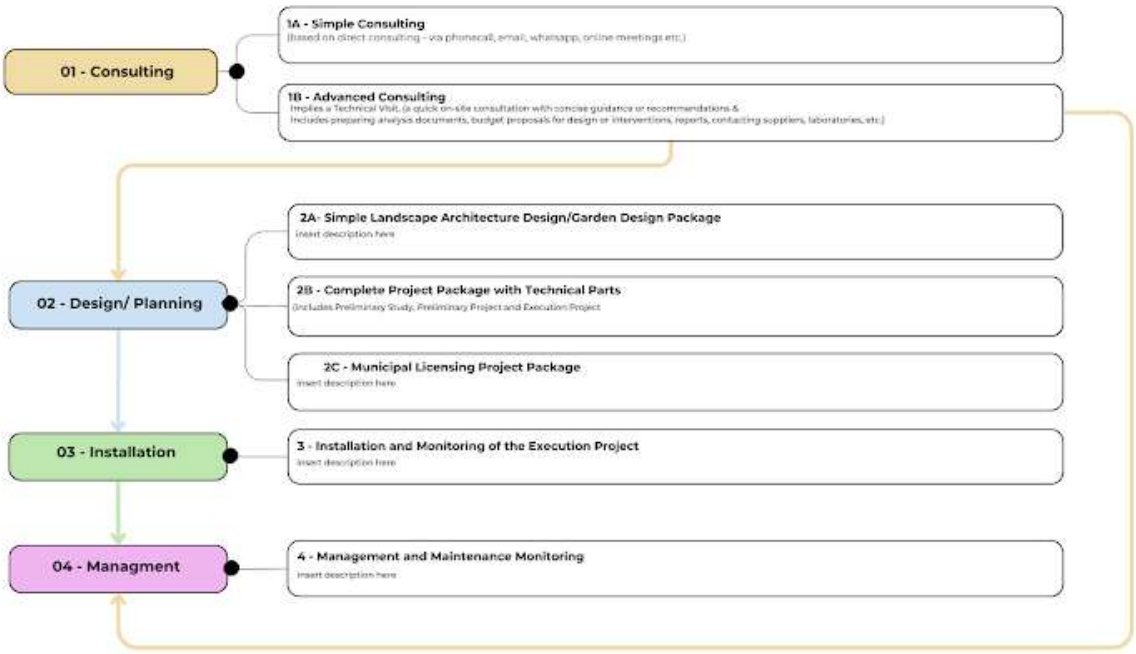
Tick all that apply.

- [ ] Water feature
- [ ] Living area
- [ ] Edible garden
- [ ] Vegetable garden
- [ ] Pathways
- [ ] Other: _____

6. Services Required (Topic 6 of 8)

Indicate the type of service you want to include in the project. Please note the flowchart bellow, a techncial visit is always to be performed before each service, in order to understand your site conditions and needs.

27. 6.1 Type of Service Desired: *



Mark only one oval.

- 1A - Simple Consulting (based on direct consulting - via phonecall, email, whatsapp etc.)
- 1B - Advanced Consulting (Includes Technical visit: which can lead to preparing analysis documents, budget proposal for deisgn or installation, & managment, reports, contacting suppliers, laboratories, etc.)
- 2A- Simple Landscape Architecture Design/Garden Design Package
- 2B - Complete Project Package with Technical Parts (includes Preliminary Study, Preliminary Project and Execution Project)
- 2C - Municipal Licensing Project Package
- 3 - Installation and Monitoring of the Execution Project
- 4 - Management and Maintenance Monitoring
- Other: _____

7. Timeframes (Topic 7 of 9)

This information will help us align the planning with your expectations.
Please note that our garden designs are developed with the **ideal planting seasons in mind — preferably Autumn,** or Spring as a last resort.
To ensure proper preparation, a planting list should be finalised at least 2 months in advance, allowing enough time to place orders with specialist nurseries.

28. 7.1 Installation / Implementation: *

Mark only one oval.

- Next Autumn
- Next Spring

29. 7.2 Are there specific features or elements you consider essential and must be prioritised within your budget ? *

30. 7.3 Describe your situation a bit more in detail if necessary:

8. Current Garden Maintenance (Topic 8 of 9)

31. 8.1 Do you have a maintenance team that visits your garden? *

Tick all that apply.

- [ ] Yes
- [ ] No

32. 8.1.1 If you replied "yes" previously, please inform how frequently the maintenance team visits the garden, and how many people the crew consists on

9. Additional Observations (Topic 9 of 9)

Use this space to share any other relevant information that was not covered in the previous sections.

33. 9.1 Relevant Information or Special Considerations:
